## ABOUT GRAZING STATIONS

### **Looking for something a bit different?**

Impress your guests with Grazing Stations and see for yourself. Best described as a modern spin on the traditional buffet, this clever catering concept is a real crowd pleaser. Here's why...

### **VALUE FOR MONEY**

The best way to ensure quality food without taking out a second mortgage. Pasta is sautéed, Meats are carved, and Dessert is flambéed right in front of guests.

### **MORE VARIETY**

Customized *Grazing Stations* draw inspiration from around the globe. With something for everyone, guests can pick and choose what they'd like to eat, and when.

### **SIMPLE, STYLISH, UNCOMPLICATED**

Leisurely grazing to foster the party spirit. Contemporary, understated dining at its best - perfect for cocktail parties, outdoor weddings and summer events.

### **PERSONALIZED**

Mix and match *Grazing Stations* to create a unique event. Table décor can be tailored to match your theme or corporate colors. What's your favorite country, food? Combine it and feel like you're there.

### **FUN & INTERACTIVE**

Engage your guests and treat them to a high impact visual feast. Chef attended *Grazing Stations* are what it's all about.
